

NOTICE - Nursery Fee Increases

We would like to give all our parents notice of a small rise to our pricing structure.

Across all age groups we have increased full time places by £15 a week, £3 to daily rates and £2 per session. Hourly rates have also increased. Early start prices have increased to £8 for a 7:30 start, and £4 for a 7:45 start. These increases will be introduced from 1st April 2022.

We have kept rises to a minimum to try and help families through these difficult times as we are aware many are still experiencing the economic effects of Covid, but we do need this modest increase to cover our rising costs.

If you have any concerns or would like to discuss the price rises with us personally, please do not hesitate to call and book an appointment. Please let us assure you that we have not made this decision lightly.

The New Pricing Structure

Baby Room (3 months – 2 years old)

| | 8am | 1pm | 1:30pm | 6pm | Session price | Day rate | Full time | Hourly rate |
