

Children's health and well-being is of the utmost importance for the nursery. Smoking has proved to be a health risk and therefore in accordance with legislation, the nursery operates a strict no smoking policy within its buildings and grounds. It is illegal to smoke in enclosed places.

You are respectfully required to abstain from smoking whilst on the premises. This rule also applies to staff, students, parents, carers, visitors, contractors etc.

Staff accompanying children outside the nursery are not permitted to smoke. We also request that parents accompanying nursery children on outings refrain from smoking whilst caring for the children.

Staff must not smoke whilst wearing nursery uniform as it is essential that staff are positive role models to children and promote a healthy lifestyle. If staff choose to smoke during breaks they are asked to change in to their own clothing (for example a jacket or jumper) and smoke well away from the main entrance.

This policy also applies to electronic cigarettes.
